13h30	<b>Panel discussion on “Transboundary data sharing” by:</b> <ul style="list-style-type: none"><li>• <b>Dr. Oyun Sanjaasuren</b>, former Member of Parliament of Mongolia, former Minister of Environment and Green Development, and former Minister of Foreign Affairs. Current Chair of the GWP.</li><li>• <b>Amb. Pio Wennubst</b>, Assistant Director General of the SDC, Head of the Global Cooperation Department</li><li>• <b>Prof. Christian Bréthaut (tbc)</b>, Research and Education Function, Manager Geneva Water Hub and Assistant Professor at UniGE</li><li>• Others (tbc)</li></ul>	45'

Time	Title	Duration
14h15	<p><b>Market place</b></p> <p>The market place is an <b>open space event</b> where participants will present <b>posters</b> about their projects, tools, approaches or study results. The aim is to provide a forum for <b>exchange on new and innovative tools or approaches</b> being applied in practice. The topic of the poster would ideally be about <b>evidence-based decision-making</b>, but you are welcome to present another relevant topic of your work. <i>See embedded file here next for further details and guidance on the market place.</i></p>  <p>Guidelines Market Place</p>	45'
15h00	<p><b>Coffee break</b></p>	30'
15h30	<p><b>Practical insights</b> (parallel sessions, 40' each):</p> <ul style="list-style-type: none"> <li>• <b>“App-based health centre data for national health strategy development”</b> (John Brogan &amp; Thierry Agagliate, Terre des hommes)</li> <li>• <b>“Mobile crowd sensing in irrigation agriculture”</b> (Tobias Siegfried &amp; Robert Naudascher, Hydrosolutions)</li> <li>• <b>Open slots for other CoP members</b></li> </ul> <p>Practical insights shall allow <b>reflecting on decision-making for investment and O&amp;M</b>; which data, processes and technical and social innovations are available to inform it and how stakeholders can manage the evidence-based decision-making process. They should also show participants how gaps in data literacy and access to information can be closed or issues in data sharing and privacy can be addressed by taking steering measures. The practical insights will be presented in parallel group sessions in a structured and approachable manner.</p> <p>You will have a <b>projector available</b>, so you may use a PowerPoint presentation. The workshop Steering Committee selects the practical insights from the proposals submitted and will then be available for coaching you in the preparation of your input between submitting your <b>abstract by Thursday May 24<sup>th</sup></b> and finalizing your input. <i>See embedded file here next for further details and guidance on the practical insights.</i></p>  <p>Guidelines Practical Insights</p>	90'
17h00	<b>Networking apéro</b>	<i>open</i>
